To whom it may concern:

It is my pleasure to write this letter of reference expressing my 100% satisfaction with the services that Jumpstreet Educational Tours has provided to our community over the last 3 years.

There is no other tour company I would consider when taking students to Quebec City and Montreal. Dennis Boktor and his colleagues at Jumpstreet have always been immensely supportive every step of the way. They are consistently willing to work with our group when it comes to deadlines, payment options, special needs, and everything in between.

It is clear from both student and parent feedback that the Jumpstreet experience is second-to-none. With amazing activities, accommodations, transportation and restaurants, their itineraries are always as enriching and safe as they are entertaining, and their tour guides are the best in the business.

I'm not at all surprised that Jumpstreet is such a respected brand in the student travel industry.

It's without hesitation that I recommend Jumpstreet Tours for your school's travel plans. If you have any questions, please don't hesitate to contact me at your convenience.

Sincerely,
